“ *I'm a former student of Ms.Hornaday. She was my 1st grade teacher I am now 23 years old pregnant with my son and during the year of her passing I went up to the school to give my thanks for my best teachers and she was still there. She was so firm with us but She had a soft spot for me. Now I'm up thinking about her again and just found out this news. I am so sad. She was a wonderful teacher. I love you 💙.*

“ My daughter and I worked with Brenda at The Schoolbox. She was so extremely generous and thoughtful especially with my daughter. She would come in with Barbara and visit from time to time and I always enjoyed her visits.  
I pray for peace to her family.

“ If one were to look in the dictionary for the word teacher, a picture of Miss Brenda Hornaday would be there. Brenda was a "teacher's teacher," who touched the lives of everyone with whom she came in contact. She was a colleague and a friend at Redan Elementary School in Lithonia for over 10 years. Story after story can be told of her many acts of kindness and generosity throughout our building. Words cannot express my sincere condolences to her family and friends at this time. May her memory and the love of family surround you and give you strength in the days ahead.

“ Dear Hornaday Family,

*Brenda had such a heart for education and for people. She was relentless in the giving of her time, talents, and treasures. She never met a stranger and welcomed all with opens arms and a warm smile. She loved learning and was always sharing the newest activity or idea with others.*

*In a world of hustle and bustle, Miss Hornaday made time for you and would call, email or post to check up on you or to meet up with you for lunchtime chats. This alone speaks volumes of the importance she placed on people and the relationships that she nurtured and cared for.*

*My prayer is that you receive the peace that is beyond all understanding and you are surround by His presence basking in His unending grace, mercy, and comfort.*

*Peace and Blessings,*
