“ *Sending up heart felt prayers love from Fred and Bertie Morton children and our family*

“ *Our deepest condolences go out to the Patterson Family. Granny has always been a granny to me. As a little girl and young teen, staying over there for weeks at a time was the best memories of my childhood. Waking up every morning to her cooking breakfast, playing board games, walking the town, and her special hamburgers! I just told her the other week I have never had a hamburger that tasted like hers. I crave it everyday! Those and many more memories, I will cherish. Praying for the family and send our love!*

Heaven has definitely gained an angel. One of the sweetest ladies I have ever known. I will cherish all the sweet memories I have. My sincerest sympathies to her family. Thank you Miss Brenda for being the best mother in law I could have ever asked for. Rest in peace. I love you. Becky
