“ I’m so sorry to hear about your mom’s passing. I can only imagine how difficult this must be for you and your family. I have so many great memories of your mom from when we were kids. She was always so sweet to me. Thinking of you and your family during this tough time. All my love.

“ I remember Brenda when Wendy played ball with my daughter. Then I met her again when her granddaughter Gracie was born. We were at the hospital awaiting her birth. She was always smiling and I am certain she will be missed greatly by family and friends and those who knew her. My heart and prayers go out to the family. I certainly understand.
