“ Our hearts are so broken on so many levels for Brett's family. My daughter Grace and I met Brett in person this past Mother's Day weekend. He worked on my yard for 2 days as if it was his own. I was so impressed with his talent and work ethic, but more importantly his humbleness. He talked about his parents, his sister and children and how much he loved them. How much he was trying so hard to be a better dad, brother and son. I was so moved and at some points he brought me to tears listening to him. He was also very funny too. Especially had a way with my 10 yo daughter Grace and told her all about his shark bite, and playing football and his 8 yo daughter who he loved so so much. He mentioned Fergie many times too. He truly loved that dog! We went out to dinner Friday night and he made us all laugh as he ordered his entire meal in fluent Spanish....including "tortilla's"! So many memories in such a short time. He was just one of those people who made you feel as if you were his best friend. I will never forget him and nor will my daughter. We look at our yard every day and there isn't an inch he did not touch and make it look more beautiful, but not just with his hands in landscaping, but with his heart. Most of all, he knew our Lord and his love for Him will forever keep him in eternal love. Some day we all will see Him again. Whatever pain he was suffering here will not go in vain. Somehow I pray by Brett's death we will all lean into Jesus more and trust in our Father's plan. I pray for peace and acceptance for your entire family. Rest in Peace Big B. ~~~ In Deepest Sympathy, Theresa & Grace
