“ Brian, I'll never forget the first time I met you. You drove with Courtney to pick me up from the airport when we went to Tybee Island. You hid behind chairs in the terminal and popped out to “surprise” me. Big dude with an even bigger smile! Your smile and personality was contagious!

“ It's hard to believe this is all real! I wasn't around him much but what lil I was he was such a sweetheart with such a beautiful face that even his cousin fell madly in love with him.

His smile was the greatest and as Jacki would say His teeth are beautiful...we had the best time when he made the trip to Oklahoma and got to eat some wild horse bbq.

I hate this for his mom and dad and both sisters. And bless his lil families heart.

We all loved you so much and you are gone way too young. ❤️

“ Brian,
What a joy you have been at every family activity we have attended that you are at...
The natural humor and the belly laughs and the endless teasing.. being with you has always been something we can look forward to enjoying.
The energy and love and loyalty to family and Country have brought us much pride.
We thank you for bringing Stephanie and her family into our circle.. you found the perfect girl!
Charlotte and Brooks will hear the stories of the life we got to share with you. The beautiful boy who oozed charisma and charm.
