“ *Brian is my son Rusty's father-in-law. He and his wife, Tina were the best grandparents to their grandchildren that I have ever encountered. They all adored them. The relationship between my four year old grandson and Brian was so special. It was such a pleasure to see them together. There was so much love there. David will miss him terribly as we all will. He was a really good man and left us much too soon. We were all blessed to have him in our lives. Rest In Peace Brian. I know that you will continue to watch over your beloved grandchildren.*

“ *Oh the years of growing up on Olde DeKalb Way --- the only one to break out the skis and ride down the hill in the snow, the only one who had a Space Invaders arcade game in his room, the coolest guy ever with the Corvette, the protector of me and Cindy whenever we were in trouble, the one who pranked us by letting us use his gravity boots and then left us hanging upside down on the bar as he went back upstairs, the one who let us watch the R rated movies and didn't tell the parents, the one who built the fort in the back yard so that we had a place to hang out --- so many memories. My heart is sad and I cannot believe that you are gone. WAY TOO SOON Big brother ~ way too soon!*

Please tell my mom hello and that I miss her - hug Mother Sarah and Daddy Bud!

*Love always,

Haven't known Brian, very long, but it was immediately obvious , that he was a good husband, Father, and Grandfather. His Grandchildren just adored him, and spent every minute they could with him. He left a huge array of memories, that will last them a life time. All our prayers, and sympathy, for his family. Wanda and Dale Poston

Brian is my son, Rusty Greer's father-in-law and I am Rusty's Mother. I have never met a better grandfather to his grandchildren. He spent as much time as he could with them and was the most loving, amazing "poppa". He and Tina were the best example of what grandparents should be. Little four year David absolutely adored them and when they were around all their attention was showered on them. They were so blessed to have them. Brian was such a good man and is gone much too soon but we all were privileged to know him. May he rest in peace and continue to watch over the grandchildren and the wife and children that he loved so much
