“ I'm met Brian and his beautiful wife Sue through Keith and Cheryl we used to always go on vacations up in the mountains and they would join us . I loved sitting out on the porch laughing my head off at Brian he kept me rolling all night long with laughter . He would be so serious but he was just funny everything he said. I will never forget him and I thank God that I had the opportunity to meet him and be a part of his journey in life . I pray the Lord bless the family and I know he will always be in our hearts till we all meet again.

“ May we all find comfort in the fact that we spend this whole life with one true purpose. To love God, know God and to find the person he made for us and bring children into the world and teach them to do the same. And Brian did just that! He found a beautiful God fearing woman and brought 8 amazing boys into the world who all love and know God! He did it and now he gets to spend eternity with his savior! He had such a full life and one to be proud of! Prayers for this entire family, love you all!
