“ *Brian was a wonderful person who will truly be missed. He was extremely loyal to his neighbors and community and always looked out for everyone’s best interest. We will miss him at our pool parties where he always made his favorite French Fries. I’ll always admire the fact that Brian never complained about any of his health problems but always persevered. May he Rest In Peace and know he will be missed by all those that knew him. Art Waaland*

“ *I’m going to miss Brian. In the 20 years of knowing Brian, he always had a great sense of humor, was very special, outgoing, and went above and beyond every day in serving our community, and I was proud to call him my neighbor. In the words of Robert Fulghum, “And good neighbors make a huge difference in the quality of life. I agree.” Your family is in my thoughts as they grieve your loss. Jon Sinnock & Family.*
