“ *Rest in Peace Brian:
He is not Dead, because Yet He Lives
He had a Heart of of Gold even in Death that cobtinously Gives.
He Gave us so much in those 43 Years.
He lived his life in such a way that we cannot help but to shed joyful
Tears.
He will be forever be in our Hearts.
Death stains will never tear us apart.

“ Dear Cara, I cannot begin to tell you how so very sorry I was to hear about Brian's passing. It was such a shock and so sad to know someone as nice and kind as Brian had to leave. I was only around Brian a few times, but he was such a great guy and he had the nicest smile. I remember at the baby shower for Calvin, how excited Brian was about the little red wagon that he could pull Calvin in! I know he was a great husband to you and a wonderful father to Calvin and you have such precious memories of your time together. I pray that in the weeks and months to come you will be able to just remember the great things that you did together and the laughter you shared. Please know that You, Calvin and the rest of the family will be in my thoughts and prayers. Love, Evelyn ????

“ Diane, we deeply mourn, with you and his lovely family, the loss of Brian. I had the opportunity to meet Brian last year at your retirement party (finally after all these years of you so proudly talking about him) and his smile lit up the room. And that's how I will remember him forever. Sending our heartfelt sympathy and condolences.

“ I am at a loss for words. You were way too young to leave this world, but apparently God needed you more. And thank you for always supporting MSU Bulldogs.

“ My deepest condolences to your family. It was a pleasure knowing Brian. We was so truly blessed to have had him for this short time. He brought so much to our Cohort as a fellow student and friend. Our Cohort had become like a family. You have my prayers. I am sad at his passing.

“ As a Songwriter once wrote:

Soon I Will Be Done With The Troubles of The World

Soon I will be done with the troubles of the world

The troubles of the World

Soon I will be done with the troubles of the world

I'm going home to live with God

No mo' weeping and waling

No more weeping and waling

No more weeping and waling

I'm going home to live with God

My prayer is that God give strength right now to his wife. Help her to get through these times of uncertainties

Give her peace; rather than understanding for God we will never understand the WILL that you have for our lives.

But Lord I know you have never made a mistake

And on that third day you rose with ALL power in your hands. So I know Brian will live in all of those who he has touched along lives highway.

LORD DO IT!!!

GIVE US STRENGTH

GIVE US PEACE

GIVE US COMFORT

GIVE US YOUR LOVE

GIVE US PROTECTION FROM THE STORMS

GIVE US SHELTER

GIVE US DIRECTION as we continue to go.

This IS MY PRAYER
