“ *I have so many fond memories of aunt Bridie in our travels in this life. Visting her at many schools, my dad (William J. Smith) teaching her how to drive..well trying to, Mt View Lake in New Hampshire..... My mom (Mary Connolly Smith) and she always managed to share a laugh and a cup of tea even through the difficult times as we all had.*

With her strong faith she always believed her loved ones who had gone before her would be waiting. It gives me great comfort that she and my Mom are playing hide and seek in the old buildings in Huddersfield, England...laughing.

“ My heartfelt sympathy to You Joe,Anna and Joey. So hard to believe that this chapter has closed and saying farewell to Mary just a short time ago, my father and now Bridie helps in remembering our faith teaches us to believe this is not the end. I can only say how lucky we all were to have known Bridie and the whole gang for that matter who have gone before us. I wish I could be there in person but please believe I am there in spirit and love. May Bridie rest in peace.

Love,
Peg

“ Our sincere condolences to you all. We were overwhelmed with sadness in hearing of her departure. Your mother/wife/grandmother was an absolute sweetheart and how we loved hearing her stories of the family and how she would love to hear Mick's brogue. I personally will always remember that beautiful smile and voice. Our thoughts and prayers are with you always. Love, Annemarie, Mickey, Theresa, Michael, Brendan and Devin Reaney

“ *Dear Joe, Anna, Chris, Joey, Heidi, and grandchildren,*

I know that you are going to miss Bridget and that the next few days will be very difficult. Be assured that although I cannot be there physically, I shall be praying for you all in a special way.

Bridget's physical suffering and life are over, but her spirit will be with you. The Lord has said that the only thing that lasts is "love" and she loved you all very much.

Blessings,
