“ I've known Bridgett since high school and she was such a sweetheart. She was quiet until she got to know you and she was funny as well. Our first real job was working at McDonald's at the old Buford Mall and she was fun to work with. Prayers for her children and brothers during the coming weeks. Rip Bridge.

“ I went to school with Bridgett, many years ago. She was the most kindhearted person and full of Love. She made everyone feel welcomed. I've ran into her a few times in the past years. She was still the same smiling, happy person. I don't think she ever met a stranger. She will be missed. Sending strong prayers to all.
