“ *Hello!*

I would like to extend my condolences to the family of Mr. Broughton Brooks.

I have never had the pleasure of meeting Mr. Brooks in person but from his obituary I can tell that he was well loved. I have lost love ones to our enemy Death also and know your pain. One scripture that gives me comfort is a scripture in John 5:28,29, that explains how one day I may see my love one again. I hope it gives you comfort too.

Again, please accept my condolences!

Minister*

“ Praying for sweet Emmaline. What a blessing they both were to so many. I ran into Broughton awhile back in Buford it thrilled my heart that he knew me and called me by name when I said hi. True story..I lost my ring one day in the commission office. He went and found the vacuum cleaner took the bag out and went through it to find my ring. I'll never for get what a thoughtful thing he did for me. It was my baby ring that my dad gave me. I still have it to this day thanks to a humble servant of God. I'll see him again one day!
