It is with great sadness that the family of Bruce Busby announces his passing, at the age of 64. Bruce passed away on November 21, 2014, after a long struggle with COPD. Bruce was born on July 25th 1950 in East St. Louis, Missouri to Russ & Doris Busby. He graduated from Minnehaha Academy, Minnesota. He married the love of his life Velma in 1981 and settled down in Georgia where they welcomed their two boys.

Bruce was an accomplished master auto technician for Porsche, Mercedes and Audi and enjoyed building things in his free time. His children remember him as a witty man who was never at a loss for words and was always extremely proud of their accomplishment in life, but not their choice in football teams. He absolutely adored his 3 grandchildren Bailey, Scarlett and Pierce. Bruce was a generous man who would give you the shirt off of his back and a hopeless romantic when it came to Velma. He loved cars, Georgia Tech football and was passionate about Family.
