“ *Very sorry to find out about your passing- my best friend from kindergarten thru early college in RI. Many great memories golfing and skiing- carol, I only met you once, at Bruce's dads funeral- sounds like you had a great life with Bruce. Also my regards to his brother Bill, I was an usher at your wedding-first time in the south although I relocated to Cornelius NC in 2000 with my wife and kids. Thought of you often, my best and very kind friend.*

“ Bruce was a big teddy bear of a guy and always easy to be friends with. I was a good friend and Delta Tau Delta fraternity brother in the late 60's to 1970. We had some reunions lately to get the Delt house completed and in looking at the pictures of the early years, I remembered seeing Bruce's picture and recalling good memories we had in the early years of the forming of Delta Tau Delta. God bless you Carol, we share your grief. My fond memories of Bruce are from a time many years ago but you are blessed in having 40 years of wonderful memories. Hold them close to your heart. You and your family are in my prayers.
