

Caitlyn Grace Pollock

June 8, 2006 - October 30, 2022

Caitlyn Grace Pollock, 16, went home to be with Jesus on October 30, 2022. She is survived by her father, Paul, mother, Carole and brothers, Paul, Jr. (of the home) and Jonathan (Auburn, GA), a niece Brooke Pollock and her precious dog, Copper. She is preceded in death by her Paternal Grandparents, Rev. Edward Pollock, Jr. and Irene "Gerri" Pollock; (Fairchance, PA). Maternal grandparents, Mary and Johnny Trantham (Copperhill, TN). She is also survived by uncles, John Trantham (Libby), Copperhill, TN, Ed Pollock (Vinnetta), Morgantown, WV; Aunt, Debbie Miller (Brian), Fairchance, PA and several cousins.

Caitlyn was a beloved daughter and sister to her family, but Caitlyn's arms were very wide. Caitlyn loved her friends and was always with a group of them. Her smile illuminated the room, her laughter was contagious and her love for people was unending. Caitlyn was a phenomenal cheerleader. She loved her Mill Creek team beyond words. Caitlyn also cheered on an All-Star Team, Atlanta All Stars, and was so looking forward to winning the World's Competition. But even more than Cheer, Caitlyn loved Jesus. So many of her friends have expressed how her love for Jesus showed them the way to have a relationship with Him. Caitlyn was a guiding light to all.

“ *Caitlyn went to school with my grandson and I had the privilege of watching her cheer over the years. It is heartbreaking that she died so suddenly and at such a young age, as she was just 16 years old and in the midst of blossoming into a beautiful young woman with so much to offer the world. My sympathies to all who knew her.*

“ *Dear Pollock Family:
I understand your pain having lost a 17 year old brother (senior in high school) some years ago due to an auto accident. My heart breaks for you. You all are in my thoughts and prayers and know the days ahead will be better although it won't seem that way now. Her Spirit will be with you Always and can never be taken away. Hold onto your wonderful memories as they will help sustain you. RIH beautiful Caitlyn.*

“ Caitlyn was such a kind hearted person. Although I didn't know her like others and weren't as close I still felt the positive impact she put on my life. My biggest memory of Caitlyn was her texting me asking if I was home just so she could stop by and say hey. I kick myself now for taking this moment for granted. She only wanted to spread joy to others and do her best to help whenever she could. We all miss you Caitlyn and we know ur smiling up there like u helped us to do every day

“ I met Caitlyn for the first time at a birthday party and it felt like I had known her for years even though I had just met her. She truly had the brightest smile and made me laugh so much in the small amount of time I talked to her. She was truly a light in this world. Heaven gained a good one💕💕
