“ *I miss you so much every day. I wish I knew sooner, I wish I saw you again, I wish we got a goodbye, I wish you were still here. I've loved you every day that has gone by and I'll love you til I join you. You will always be the love of my life and my broken heart breaks even more to know you are no more. You were my best friend and I wish everyone could have known the Carl I knew. You have a beautiful heart and mind and soul and I know you're somewhere else making everyone smile now. I miss you so much and always will*
