“ Carl was a wonderful, warm, kind man. His great sense of humor and the wonderful conversations we shared seemed endless. Countless stories and lots of laughter. He loved good, southern cooking and was fond of the Cote de Rhone region of France. Carl was a true Patriot. We talked about many things, life experiences, the past, the present and what the future may hold. We came to know Carl through his wonderful daughter Lynn and they quickly became like family to us. His passing has left an emptiness in our hearts. We miss him deeply.
