“ I have been thinking a lot about your mom and about all the memories I have from growing up. She was such a wonderful person, and I have so many memories from when we were young. I can still picture her at family gatherings or just sitting and watching while we ran wild!

Though it's been many years and many miles between us, those early memories have stayed with me. I hope your own memories, bring you some peace in time.

Love you all, Teri

“ *Your wonderful, dear mother gifted me with the most treasured beings in my life. Marrying her and adopting you rewarded me with such a blessed life. I have so many wonderful memories of our wonderful life as a family. I thank God for this blessing everyday.*

I loved your mother and am so saddened that her last days were difficult. But I know that she is now at peace and in Heaven.

I am not sure what I can do to help you deal with this loss. But please know that I want to help in any and every way that you need. I do not know any financial details, but please let me know if I can help.

“ *Carol was always a lovely person with a calm demeanor. She was a pleasure to be around, always keeping conversations engaging. My deepest sympathies are with her beautiful legacy of three daughters and their families. I cherish the many memories I have of the holidays spent with them.*

“ My sweet sister was as beautiful on the inside as she was on the outside. Everytime I called her we ended up laughing about something silly. I will miss her terribly. Rest in peace dear sister...until we meet again
