PS

“ *My heartfelt condolences to Stephanie and family.*

Your mom was a wonderful person who cared greatly for you Stephanie and your family. We were keeping in touch but then it seemed too much time went by.

My dear friend and your Aunt Marion loved Carol so much. She knew what your mom experienced in her life and would've helped her in any way. Your mom had alot of hardships and heartaches yet she survived through it all up to now.

With all her suffering here on earth and with the help of your Aunt Marion, she took her place in Heaven. I feel her purgatory was on earth.

I miss her dearly. We always had hopes of getting together.

God bless you all!

Peace and Prayers,
