“ *Aunt Louise and family,*

*I am so sorry for your loss. I know you will miss Carol. I enjoyed the times you brought her to a Skinner family function or shared her art work or a story about Carol with us. Please know that you are often in our thought and prayers. I love you and miss seeing you. I am praying that God will make His presence felt among you and that He will bring you comfort during this time. Amazing Grace is on my mind as I write this.*
