“ *Dear Clark and family. I was unable to attend the service today due to a knee replacement surgery. I was with you in spirit and prayer as we say goodbye for now, to such an exceptional woman. Carolyn came into my life at the age of 12. She became a second mother to me and loved me and my daughter Jamie as if we were her own. I have so many fond memories that I will always cherish because of her love and positive influence on my life. I believe we are meant to have angles on this earth who come into our lives to teach us to live life to its greatest expectations. When I think of Carolyn, I smile and remember all the crazy conversations and it warms my heart to know that Carolyn is in a beautiful place with Walter and June, my parents, hanging out together as she and Clark did for many years. If mom or dad were not home, I could usually find them at Clark and Carolyn's home. I say thank you today to a higher power for allowing Carolyn to be a part of my life. I love you Carolyn and I will always love our memories and I look forward to our crazy conversations one day with you, mom and dad and the Dunwoody gang whom I remember so fondly as a child. Love, Ginger*

“ It's hard to lose a loved one. May your family gain strength and comfort from the words at Revelation 21:4. "... he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”
