“ I miss you terribly right now Mom. You were an incredible person. I hate that we often don't understand people until it's too late to live together in unity. We never were much alike but I so admire all the things that you were, the things I'll never be. Different and at times hard to relate to but I so wish I had your character. You never complained, or felt entitled, you believed in goodness, and you loved being a Mama. I miss you SO BAD RIGHT NOW. Love you.
