“ Years ago I remember Tim and I came to visit the Wachter family in Atlanta with Ted and Peg. We had such a fantastic time whether it was going to the Mall with Lynn (I believe she went every day), kicking a soccer ball around the yard, or just sitting around telling stories. What a sweet and gentle person she was and she never changed as time went on. My heart goes out to all of her many loved ones. May your fond memories keep her close to your hearts and provide some comfort during this difficult period. With sadness and my deepest sympathy...

“ It is with sadness that the Hoitink Family learned of Lynn's passing. We have fond memories of Country Place and the summers at the community pool. Melissa and Lori were friends at East Valley but sort of lost touch when Melissa went to Lovett and they each got more involved in their individual school activities. However, we shall always remember your family and especially how positive Lynn always was. I understand she fought a long battle against lung issues but now that she is free of all that, may she rest in peace.

“ Lynn was one of the sweetest and kindest people I had the blessing to know, love and be loved by. I have countless cards for birthdays, Easter, Christmas, and more. Each one I received warmed my heart and felt like a big hug across the miles. What an incredibly generous and loving heart. I feel so blessed and thankful to have known her and will miss her. My condolences on her loss and know that I am praying for you all.

*Much Love, Christine Chance*

“ Lynn was a very sweet and wonderful person. I consider myself lucky to have known her even if it was mostly in a long distance capacity. My husband Charles was very fond of Lynn and had a few stories of how she saved the day after he and Ted did something stupid in their youth.

*My condolences to all of you.*
