

Carrie "Nanny" Lou Braswell Szell

December 29, 1932 - October 8, 2022

Carrie Lou Braswell Szell (affectionately known as "Nanny") was born December 29, 1932, to Verlie Mae and Ed T. Braswell.

Carrie spent her growing up years heavily involved in the Buford community, particularly the Buford Church of God. Carrie met her beloved husband, Imre, and spent much of her adult years moving with him and their boys, Paul and Mike, with Imre's job in the United States Army. Carrie kept the wheels turning in their little family and did so without complaint, regardless of the circumstances. She was calm in chaos, but don't let that confuse you into thinking she was without an internal fire.

Carrie was the type of person who never met a stranger. She could talk to anyone and everyone and delighted in hearing the details of your life. She loved to brag on her kids, grandkids, and "great-grands". She would tell anyone who would listen how much she loved her family.

Carrie was a matriarch of the family, the one who knew all the stories, the distant cousins, and the small details that many other people would forget. She was intelligent, funny, and above all, kind. Her life is marked by her love of Jesus, her love of family, and her kindness to every person she met. Rarely do you meet someone who does not have an enemy to be found; Carrie was that person. She was a light for her Lord Jesus for the entirety of her life. Her family and friends deeply grieve her loss.

Carrie is survived by her husband of 59 years, Imre, her sons Paul (Stacie) and Michael (Ingrid), her grandchildren, great grandchildren, and many nieces

and nephews. She is preceded in death by her parents, brothers and sister (Truel, Larry, and Evelyn), and her daughter-in-law Carol.

A funeral service will be held at 4:00 p.m. on Sunday, October 16, 2022 at the Buford Church of God, 4800 South Lee Street, Buford, GA, with Pastor Travis Hall officiating. “ I met this wonderful woman years ago. I met her and her husband through Pam , her neice. Pam has passed on , along with her mom Evelyn I'm sure they are having a great reunion. Carrie was that stltron woman with an open soul. She always made me feel a part of the family. She was gorgeous inside and out. She was a very loving woman. She will remain in my heart. Heaven has received another blessed angel.

I am so sorry to learn of Carrie's passing. Phillip and I had the honor of being next door neighbors to her for many years on Sanden Ferry. She was a very gentle and loving person that I was proud to call my friend. My condolences to Internet, Paul& Michael from Phillip and I.

“ *Carrie Lou and my father were first cousins, coming from the huge Braswell family. Growing up I would visit my grandparents home in Buford and would attend Buford Church of God. I sat in awe listening to the Gospel music, knowing the Braswell siblings were my cousins. I remember Family reunions with so many family members and the most wonderful food. Carrie Lou was the epitome of a true Southern Lady. She and Imre have been such a perfect couple and raised two amazing sons. Her legacy will remain through her children, grandchildren, and great grands. She set the example and I believe her family will honor her. Remember to tell her stories and keep her memory alive. Much love to you all ❤️🙏*

“ Carrie Lou was a close friend of mine in our young days. We sang in a trio at the Buford Church of God for several years and enjoyed getting together with the third member Betty Harris. My heart is sad to hear of her death but rejoicing to know that she is enjoying the beauty of heaven along with loved ones gone on before. We will meet again.
