“ *Catherine was my quasi- baby sister. We went through many things together and she will be forever in my heart. It is difficult to imagine life without her. But I vow to continue her legacy of joy and service to others. Love to you all.*

“ *Catherine was the epitome of a great friend. She was one of my son, Rob's, close friends through their high school years, and their friendship continued through college and beyond. I came to love and appreciate Catherine when she helped me organize a welcome home party for Rob when he returned from Iraq. Later, she introduced Rob to the sweet girl who became his wife. Catherine continued in her role as trusted friend such that she was there and actually recorded his proposal to Melanie. Though officially Rob and Melanie's friend, I loved her as well. She will remain in all of our hearts and she will be missed. Her family is in my heart and certainly in my prayers.*

“ I am so very sorry to hear the news of Catherine's passing..so shocking..

Catherine was one of our outstanding Aquatic Staff in the 90's. I could count on her for any task needed. I remember Catherine stepping in to take responsibility for one of our community pools without even a question. She was just always ready to help. And she was so ..so..good at teaching swimming lessons. I know her current students will really miss her. She was in my top 10 of all time great employees at the Gwinnett YMCA. My thoughts and prayers are with her family.

“ I went to college with Cat... I remember her being funny, smart, and compassionate. Here are a few of my favorite photos from that time period, around 2003. She will be missed dearly. -Sean

“ I am so sorry to hear this. Ms. Proctor was our son Jacob's teacher this year and the pervious year. We had the privilege of seeing what a wonderful teacher she was as Jacob did his school from home last year. You could see how much she loved her job and how much she loved the kids she taught. She made a tremendous impact on Jacob's life and on our lives as well. We will miss her sense of humor, her daily funnies and the passion with which she lived her life. One thing that really stands out in my mind was how she used a digital comic book to get Jacob to like language arts! What an amazing teacher. May her memory be a blessing.
