“Cathy, my beautiful sister, a wonderful person & the sweetest person I ever have known. You always saw the best in people and was so patient. As one of my two older sisters, my heart gives me tremendous joy in all the wonderful happy & fun memories we had with you. You always put your family first & made a lasting impression on those you met and always took the opportunity to get to know someone. I will cherish all our talks & Cathy would always be there for you & have your back, always with a smile and love & advice if needed. You are at peace now in heaven with everyone & I miss you so very much. I am so very blessed to have you as one of my sisters, we all were so close... Fly high with the angels Cathy, you are forever in our hearts.. till we see you again, you will be in my heart treasured with love every day..xoxoxo

“ My beautiful wife. I knew from the moment I saw you I wanted you in my life. You have made the past 58 1/2 years the best years of my life. To know you is to love you. Cathy was one of a kind. She went out of her way to make people feel special. When she met someone for the first time she would say " Nice to meet you. Tell me about yourself." She always showed genuine interest in other people. She had a way to make people feel good when they were sad or upset. In our 58 years of marriage, I never heard her say a bad word about anyone. She loved sending thank you notes to people and she sent a lot of them. Cathy was an angel here on earth and now an angel in heaven. Sweetheart, you left us way too soon. I guess the Lord needed you. You will be missed very much. You know I love you and you will always be in my heart. Your loving husband.

“ Cathy was a wonderful lady. I've known her for 30 years. We were bound by our children's (Walter & Jennifer) marriage, our grandchildren, and as mothers. She was always a joy to speak with. Soft spoken and lovely, always. She went through life with grace and dignity. She will be missed more than words can ever say. Heaven gained a lovely angel. I love you Cathy! Rest in peace sweet lady.
