“ *I was saddened to hear of Catherine's death. I have fond memories of her dating back to our high school years at Sugar Hill High School. She was always happy and it showed in her infectious laugh and sparkling eyes. She was a wonderful seamstress and did some sewing for me who couldn't sew a straight stitch. Much love to you children. My prayers are for your peace and comfort.*

“ Your mother was a very special lady. I have many fond memories of all of us kids playing while your mom and my mom watched to be sure we were not getting into anything. Your mom and my mom enjoyed traveling together. They were really good friends. I remember how sad Catherine was at mother's funeral. I am sure when your mother got her wings she and mom got together to talk about the good times they shared. My prayers are for you all at this time.
