“ We are heartbroken but thankful Cathy is finally at rest. She fought a great fight with courage and grace. To Barney: Life will never be the same without your sweetheart. You have been an honorable and caring husband. To Jennifer: Your love and dedication to your mother throughout her trials and tribulations is inspirational. You have been a wonderful daughter! To Bryan: Your mother has always been so proud of you and all that you have accomplished.

Cathy is looking down on you with her beautiful smile and knowing she did good! May God bless you always. I love you.

“Barney, Jen, Bryan and family... you all know Cathy meant the world to me! It warms my heart that she is no longer suffering but she will be missed. Did we talk everyday? No... Did I see her every week? No
But she knew I loved her and when we saw each other or talked on the phone, we always picked up where we left off. During our conversations, she never once complained of her challenges or her illnesses. She talked about all of you and how proud she was of you all. I prayed for her every day and now I will pray for you. I will pray for strength so you can go on without her and your heartache to lessen as time goes on. Love to all of you, Cindy

“Matheson Family, I am so sorry for your loss. Barney and Cathy were our first friends in Georgia! We were so happy that we lived next next door to a couple of Yankees!! Cathy was such a joy, with her laugh and love for her family. She is at peace now. Many prayers to help you get through these difficult times.

“ *I am saddened to learn of Cathy's passing, but relieved that she is now free from pain. I will fondly remember the joyful person she was. Cathy always had a warm and beautiful smile. Her embracing personality and can-do spirit allowed her to plan and organize family gatherings with ease, leaving us all with fond memories. She touched so many, a life well-lived.*

My heart felt sympathy to Aunt Terry, Doris Ann, Barney and all of Cathy's loving Family members. May memories sustain you until you meet again.

All my Love,
