“ So sorry for your loss. Seems like only a few years ago that I was picking her up for school on the bus. Pretty little blond girl taking her time to board the bus. Little did I know as she became an adult we would be friends. I really don't think Cathy ever fully got over her moms death. I know she is happy to be with her again. My heart hurts for all of your family. You are going thru such a sad time . May God keep his loving arms around each of you to give you the strength to get thru the next few days Love you all Betty
