“ *Im so crushed. Worst day of my life. I look up and your sling face asking, "what are you doing her?" We were both at charter brook. One of my best friends from that moment on. Im so sorry you left so young. Always will love you.*

“ *I knew Chad through work. Whenever he and his dog came into the office, it made my day! He was a kind person with a bright personality. I was sad to hear of his passing. Saw his headstone in the cemetery and think he would have loved the picture of him and his pup included.*

“ Chad Heath Parker, as I will always remember him:

“His deep sensitive connection to nature, his incredible love of animals, his great sense of style and design. His unique, artistic ability. His creative ideas. His wild, youthful spirit and sense of humor.

His relentless ability to overcome insurmountable challenges. His love of Christ and his family. Chad was a late bloomer and just getting started. He did not want to leave us... he was taken, way too soon and way too young.

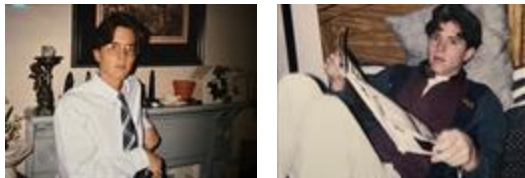

Chad. I will love you forever and hold you in my heart until we meet again.” Tim Christian Miller- May 10, 2022

“ Chad was a beautiful soul: fearfully and wonderfully made. My sweetest memories with Chad are at Aunt Doris's house. There was always love, laughter, acceptance and happiness whenever we were gathered together. His father and my Dad were brothers and the closeness of family when we were children was taught and passed on. He is survived by his sweet dog Allister who he loved, and was loved back with unconditional love. I pray you Rest In Peace Chad, with our parents and grandparents who have gone before us. I pray that your absence will remind us all of how important family is and to stay connected to one another.
