“ *She was such a strong, funny, hardworking, passionate, and most of all a loving mother to her 4 beautiful daughters. She put up with a lot, but you could never tell because she always kept a smile on her face. I loved how she would teach me some words in Korean, but the one that stuck the most was mother. Eomma, is what I always called her because she accepted me and treated me as one of her own daughters. You will be missed dearly, but I know your daughters are strong, and will make it through whatever obstacles that get in their way. Go party it up in heaven Eomma!! Much love, Alex ?*
