“ *Sincere sympathies to the family of Charlene. My mother and her mother were sisters. I used to look forward to seeing her at family gatherings as a kid. She was the only girl cousin close in age to me amidst many boys.*

“ Hello All: I knew Charlene through North Gwinnett Middle. My daughter is special needs and was on a host of complicated medication dosages. Charlene really helped us to keep our daughter in school and receive her much needed meds on a regular schedule. I saw her last May at the 8th grade graduation with her scarf on her head, and she seemed to be in such good spirits, as she always was. My heart goes out to your family for your loss.
