“ *All of my prayers are with you at this time. Charlie was a good father and grandfather. He gave me sympathy at a time when he could have turned me away and I have always been grateful for that. It was the kind of person he was - always generous and giving. The world has lost a good and gracious man.*

Our deepest sympathy during this very difficult time. Our prayers are with you. Mr. Baylot was like a father to me when we were growing up in El Centro. I remember the summer he took me with you all on the summer vacation to the South, I always felt like part of the family. Thank you for all those wonderful times.
We love and are there if you need anything.

“ Our thoughts and prayers are with the Baylot family. Charlie was one of the most geuine, constant, and faithful friends anyone could want. His love of his fellow human beings was a hallmark. He "adopted" many of us who were 20 to 30 years his junior, and we always knew we could go to him with anything... a joy, a problem, and he would help us address it with his characteristic smile.

He loved the world of wastewater treatment. I mean no disrespect when I say that if there are waste treatment plants beyond the Pearly Gates, they are being run better now than ever before!

What a legacy to leave for friends and family!
