“ Chuck was a good friend to my mom. They worked together back when I was a kid, and they kept in touch over the years afterwards. I will never forget how he and Debbie showed up to one of my birthday slumber parties dressed in their pj's delivering a pizza. He was also there for me during my pregnancy, when I needed fatherly advice, always so kind and ready to make you laugh. He loved us like bonus family members. He will be missed, and I will always treasure my fond memories of him. So thankful God brought him into our lives.

“ Chuck was the nicest and most thoughtful neighbor and friend to our family. We lived next door to he and Debbie for almost 20 years. He was the kind of guy that would often just ‘sense’ your needs and do it! Weather building a deck, raking your leaves, or surprising you with a mother’s day gift of building a unique bird feeder-hook off your deck! We could often look out our window and see Chuck not only working in his yard, but our yard also! He was always so great with all the kids, especially at Halloween and snow days with his big bon fires going. When our son was going away to college, the morning we were to leave we got up to find our drive way lined with MIT congratulation posters! It was such a thoughtful sendoff for our son. Chuck had a heart of gold and was a one in million kind of neighbor and friend.

“ Chuck was one of the best neighbors a family could ask for. Always ready to help, Chuck spent many Saturdays cutting up trees, hauling mulch or racing to the rescue of a neighbor in need. He loved to follow our daughter's sports and even came to her last volleyball game of the season. Chuck, the cul-de-sac is not the same without you and we miss your friendly smile. Debbie, as always, you are in our thoughts and we are always here for you!!

I knew Chuck as we served in the Marines while attending Legal School, Camp Pendleton. Debbie Betley and myself were the only Female Marines in our class. Chuck was like our Big Brother who looked out for us. He was funny and was always there when you needed help. He was a great guy. I pray for his family and friends as I know he will be surely missed. I will keep you all in my thoughts and prayers. Semper Fi, Chuck. Guard those gates to heaven, brother.

“ Chuck's reputation for servant leadership and generous giving is known far and wide. I have never met Chuck in person but as a friend of Debbie's I feel like I know him based on the many loving stories about him she has shared with me. The love between Debbie and Chuck is an inspiration.

“ Chuck was a great neighbor and friend. A good man that one could always count on. As his next door neighbors we usually could find him working in his yard; looking out our family room windows will not be the same not seeing him working on an out door project. But he was never too busy for stopping and having a friendly neighbor catch-up chat. He was so thoughtful...known for doing things "just because", one mothers' day he built me a special hook on our deck b/c he'd heard me saying I wish I had a place to hang hummingbird feeder. He helped us with many projects through the years, and no one could ask for a better cat sitter. Thanks for being our friend and neighbor Chuck and for the cherished sweet memories. Thoughts are with you Debbie and all Chucks family and loved ones. He will be greatly missed.

“ Chuck was a good man. He loved his wife and family so much. I'm grateful for his service to our country and to the citizens of Hall County, Georgia. Go rest high on that mountain, Mr. Pinney, you will certainly be missed.
