“ *Saddened to have received a message from Charles' wife, Jan, to my little dog, Crash, a certified therapy dog, letting us know that he had passed away. We visited Gwinnett Medical Center on June 14th whilst they were there, and she sent her appreciation of us with our friend, Libby dog, spending time with them.*

We send our thoughts to you Jan and your family - and thank you and Charlie for allowing us in to your private moments.
