“ Sandi & family, I am sorry about Chucks passing. Just a note to let you know. I worked as a meter reader at Jackson EMC. He was always very nice to me and encouraging as that is a tough job for a girl. Also during Hurricane Opal The storm made a tree fall and broke my meter pole. He came over to my house and set a new pole and fixed my problem. What a sad loss. May God comfort you all. Hold on to the good memories!

I had the privilege of being one of Chuck's coaches at Central Gwinnett. He was a joy to be around, always gave his best to everything he participated in and was as fine a person as you can find. Please know that you all are in my thoughts as prayers as you deal with your loss.
