“ I love you dad and miss you dearly. I remember asking you who my best friend was and you strongly replied " God is " ... Then I would say who is my best friend on earth, with a smile on your face you would say " God because his every where " ..that he is . The day you past he was standing right with me holding me letting me know your in his arms now walking on streets of pure gold. God is our best friend but you was my best friend, best dad and the greatest papa ever. More than all of that a God fearing man whom loved the Lord with all his heart . I was truly Blessed to be called your daughter ..I was a honor to care for you just as you took care of me. I LOVE YOU DAD . until me meet again .
