“ *My Uncle Charles was such a funny person. I always enjoyed laughing at his silliness and telling him about my adventures abroad. I will always cherish the last time I talked to him. He told me how proud of me he was for traveling and that he could not wait to hear about my adventures. He always made me promise to bring him a rock from wherever I was. I love you Uncle Charles and I will miss you! You will always be in my heart.*

“ Daniel family we are lifting you up in prayer and asking that God sustain you during these days to come. Lynn & Kelly are in our SS class. We have prayed for your family and will continue to lift you up. Our family went through a tragic death like this & it will either strengthen you in God's grace or tear you apart. We pray you will grow in the Lord and find His comfort & healing. With concern & love for your family.
