“ *I just learned of Great Aunt Charlotte's passing this weekend and I am so sad. I remember writing letters to her for several years back and forth when I was in high school and even when I began college. She really was such a lovely woman and I always hoped to meet her someday. It breaks my heart that time got a hold of me and I never had that chance. I still have some of her letters somewhere and I will hold onto them forever.*

“ Words cannot express our deepest sympathy to the Blaney family; of their great lost. On many occasions our youth action team had the privilege to be in the company of Mrs. Blaney. Her keen spirit and warm embrace to other let us know we were in the present of an angel. Mrs. Blaney will be deeply miss....Thank you for your smile, for inspiring us with your delightfulness... but most of all for showing us the true act of kindness.

“ *I never met Charlotte, but if she was half as remarkable as her daughter Ari, she was a wonderful person. I have lost both of my parents, so I understand the loss. I send my sincere condolences to Ari and the rest of her family and may Charlotte's soul rest in peace.*

“ *We were so sorry to hear of Charlotte's passing. She was very dear to all of us in the office and enjoyed her visits with us very much. I still remember her giving me her recipe for Chex Mix. Please know we have her in our prayers.*
