“ You were so kind and never treated us any different than your own. Uncle Randall loved you and the life you both had together more than you probably knew. I'll never forget spending the night with the two of you and you doing my nails while I talked your ear off. I find comfort in knowing you no longer live on an earth full of sorrow and pain but yet an eternity where love is everlasting. I love you!

“ You were such a kind person and uncle Randall loved you and the life you both had more than you probably ever knew. I will never forget you doing my nails and me talking your ears off when I was little. You never treated any of any different than your own. I love you! I know you are living a life more enjoyable than the life we have on earth. I find comfort in knowing you no longer have to live in a sinful world with sorrow and pain but rather eternity with everlasting love. ❤️

“ I love you Cheryl, you will be missed. I know you wasn't my birth mother but you are and were very special to me. You have been my bonus mama for over 32 years. I know you are better now and loving the afterlife with Daddy. Keep a watch over Kevin and all of us here. We are gonna need it I'm sure. Amanda and them babies said they love you too. You will always be remembered with love and happiness.  
Your son, Randall

Cheryl, we are going to have an amazing day on Sunday VIP concierge. Gonna cry , sing ,and cry again. Kevin is really maturing fast because Brad and I and Summer are his go to authority. He makes all decisions but has a meno to follow for what activities he chooses. Now bowl a 300!
