“ I'm so sorry for your loss. Sherrie will be deeply missed. I will always remember her eccentric personality, her knack for staying true to herself, and her big hugs that were filled with genuine goodness and love. She lived across the street from me when I was a teenager and I learned years later that she busted me sneaking out on more than one occasion, but staying true to her "coolest neighbor" status, she never told on me (until I was an adult)! Johnny and family, you and Sherrie will be in our hearts in prayers.

“ Johnny:
I can't even imagine the heartache and great loss you are feeling. Please try to find some comfort in knowing that you aren't alone. I think it's safe to say that your wife, your best friend and your soul mate will forever be loved and missed by everyone that crossed her path. I always knew that when I heard Cheri's heart felt laughter and up beat spirit radiating through the halls of GMC or on the other end of the phone line, that life was good!!!! I pray for your strength and comfort. A GMC legacy will forever live within her memory!

“ We read in the Bible that Jehovah God will: "Swallow up death forever, and the Sovereign Lord Jehovah will wipe away the tears from all faces." (Isaiah 25:8) Like a father who removes the cause of his children's suffering and dries their eyes, Jehovah takes great joy in bringing death to nothing! Jesus cooperates with him. We read at 1 Corinthians 15:22: "In the Christ all will be made alive."

“ She was not only my "auntie", she was everyone's "auntie" that met her. As someone who isn't a people person and who does not like to be touched, I made exceptions for her and remember that the last time I saw her, I hugged her tightly and told her I'd see her again soon. She always took me out of my shell and me me feel loved and welcomed. There was just something about her that made you feel good, happy, and just enjoy laughing hysterically in her presence. “ One of the kindest most giving person I have ever met. She will be forever missed! I will miss her spirit, and the laughter we shared. She knew how to make all feel better, and would always go out of her way to help anyone! My thoughts and prayers are with Johnny, and her entire family! Love you Cheri!

“ *Johnny and Family,*

There really are not adequate words to express the sadness I feel for knowing that I will not be hearing Cheri's contagious laugh or feeling her incredibly loving hugs. My thoughts are with all of you during this time. May GOD wrap His arms around each of you providing comfort and peace. Praying for all of you!
