“ I am still in shock that you are no longer on this earth. You were one of my best friends (sister) in Middle school and I will cherish every memory I have and there were a lot. Just wish we had more as we got older. My thoughts and prayers are with your boys and family. RIP sister. I'll see you again.

“ All I can think of is you being born and i thought you were mine. all the fun times watching you Brady and Jon growing up. you all three were my babies. I have hundreds of stories of all the cute and sneaky things you little burgers did and i love them all. you all three will always be my babies. Cheryl(sissy) give my Daddy a big hug for me. I know you and in his arms right now. he will take care of you just like he always did.

I haven't seen Cheryl in years, but she is still thought of fondly & will be missed. Prayers to the family in this time of need.
