“ *Mrs. Louise & Family: You may not remember me, but I am Herbert Freeman's daughter Amy. I remember the revival that Bro. Harvey preached at Mt. Sinai when I was just a little girl. He preached the Word of God with all his being that week. I will never forget him. You have my sincerest condolences, and I will be praying for you at this time. "Precious in the sight of the Lord is the death of his saints." Psalm 116:15. Love in Christ, Amy (Freeman) Casey*

“ Harvey was my pastor at Buffington Baptist Church twice. The first time I was a young boy. It was a time when I was watching and listening intently to people I respected, trying to learn how to conduct myself as a Christian and trying to learn Christian doctrine. Harvey was at the top of the list. That was over 45 years ago, but I still remember many of his sermons. One Sunday morning Harvey asked me to lead a song - something I had never done. He suggested I lead Love Lifted Me - he said it was his favorite song. I did, and am still trying to lead songs at Buffington. I take great comfort in knowing that Love has lifted Harvey to a far better place. My condolences to Louise and the entire family. You are in my prayers. Phillip
