“ Dear Family,

We are so sorry to hear about your loss. Our thoughts and prayers are with you. I will always remember little Chris running down the hall in the house on E Kings Point Circle after waking my Dad up on a Saturday AM by hollering "Wake up Mr. Rockiechuckie!" Too funny. I also enjoyed catching up on family when at AFL with the cars. Chris was a good boy for sure! He is with his Father in Heaven now and in no pain.

“ There is nothing I can say today that will ease your heartach. I do know that my dad (Louis) loved both Chris and Adam dearly and loved when they can to Savannah to visit. I know Chris is with Daddy now and that gives me some comfort. I love you both and your entire families. My heart and prayers are with all of you.

“ To Chris' family:

I had the pleasure of having Chris on my work detail while he was working for me at the county. He was an absolute pleasure to have on my detail, got along with everyone, and was one of the hardest working men I have ever had work with me. He always talked about his daughter, Alyssa, and he showed her picture to everyone. We had many long discussions about life and all the things in his past that he wished he could take back and redo. He had a good heart .Chris was always in a good mood and never had a harsh word to say to anyone. Chris was a genuinely good person and he will be missed by many people. I am so sorry for your loss and I pray that Alyssa will remember how much her father truly loved her. Your family is in my thoughts and prayers.
