“ *And to think of the families coming together again and then this. You and I shared so much and we had so many deep talks. I had high hopes this time, it all seemed to be much better. So sorry to lose such a wonderful sister-in-law. You were loved and you know you were. THANK YOU for listening, sharing, helping and all that you did and were to me and the family. R.I.P my beautiful friend, until we meet again keep looking down on us all and I will take care of him for you, I know that is what you wanted. I love you Christa!!*
