“ *All I can think about with Christin was her joy and happiness as a mother of her children. I remember a smiling, happy and active person going full speed at Fripp Island, Lake Burton, or Crystal River. I remember an exuberant young person playing with her friends in Hounds Lake or Jones Creek. She was surrounded by loving parents, a wonderful sister, aunts, uncles, grandparents and family friends. While our hearts break for this loss; we now shift focus to bringing comfort for her children, family and friends. Please join me in loving them all into a bright, happy future full of life.*
