“ *A friend for almost 30 years and a dear dear lady I enjoyed working with her at Reliance and staying in touch on Facebook while also playing Words With Friends together. She had a great vocabulary. I know you will miss her dearly but try to take comfort in knowing she is now with her beloved husband, Ron. I'm sure they will be watching over the family as you go forward. She was a great support to me when I lost my husband in 2019.*
