“ *My heart is heavy with sadness at the sudden loss of Chris. I've worked with Chris for many years and from the first time I met her ~ I loved her. She always had a smile on her face and laughter in her voice. She was one of a kind! The best!*

“ I don't think I've ever known a kinder, gentler, more loving person. I remember her sweet little chuckle of a laugh, the twinkle in her eye, her fear of spiders and (Ferg corrected me on this) feathers. We shared so many laughs and adventures during our teenage years, and later we faced some grown-up challenges together. I'll certainly miss her. My love and prayers go to her three sons, whom she adored, and to all those who were fortunate enough to know and love her.

“ I knew Chris from high school, and she was soo sweet and kind to me when I first started at OHS. I don't think she knew how to be anything but kind. I had hoped to see her at the reunion. Now I'll keep her in my heart.

“ I dont even know how to start this, but please know my prayers are with the family. Aunt Chris was absolutely the sweetness, most kind person that we could have had in our lifes. She mad us so strong when Dad was so weak health wise. I will never forget her being Dads guardian in that time of need. “ To my dear friend you will be missed by so many. We had not been in touch for awhile but you were always in my mind. Ironically Wednesday I was telling the people at work about our experiences at Volt. Remember the raft ride down the river. When I was in the hospital you watched Hope for 2 weeks. So many memories. What good times we had. I will miss you and your beautiful smile. And the hats I loved the way you could wear hats .

“ Chris will always be remembered with a beautiful smile on her face and laughter in her heart. She is part of many treasured memories of my youth. We shared time a few years ago as the OFHS class of 1963 acted like teen agers that we once upon a time were. It was a wonderful reunion time together. Chris will be greatly missed. My deepest sympathy to her family and friends. Hold her warmth in your heart.

“ To Our Beloved Georgia Family,
You Mom was such a wonderful person and did such a good job of raising her family. Buzz is going to miss her for they loved to share by phone all the memories they had as brother and sister growing up. Wonderful Sister-in Law always there when we needed her. Most Wonderful Aunt one could have had even though we were miles apart. We will miss her loving smile, cheerfulness and her kind nature. We will always be here for the family when they need us. We all loved her so much. Great Memories to share of being with her always!
