“ *Lee. I doubt if you remember me but I think of you, Chris and Charles often. It's been a very long time since we went to Lakeview Baptist Church. I'm so sorry to hear about your loss.*

“ *Lee, I was so sadden about reading about Chris passing. As a former employee of yours my heart just breaks. I did not realize Chris graduated from EAS (I graduated in 1964). It just seems like yesterday that I was talking to Chris at our last DMC reunion. Natalie and have been lifting you and your family up to the Lord daily since reading about Chris.*

“ *Lee and family, I am deeply saddened by the loss of Christine. I had no idea she had declined, and was shocked to learn that she had passed. Seems the last time I saw her she was in good spirits at the September luncheon. Please know that she meant a lot to me and I will miss her very much. She had an inner strength that was admirable and you should be so proud of the fight she gave to this dreadful disease. I will continue my fight in her honor. Sincerely, Carolyn Higgins*

“ Dear Lee, Jeff and families,  
I love the picture you have here! It captures the sparkle and happy inner glow that was Chris. She was kind and thoughtful and a true friend in good times and bad. She had a quiet but indomitable strength that carried her through these last difficult years with a smile on her face and faith in her heart. I am so grateful to have had been blessed with her friendship. Miriam Brand

“ It's hard to lose a loved one. May your family gain strength and comfort from the words at Revelation 21:4. "... he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ I did not know Chris personally but Lee, my friend and high school classmate, always spoke very highly of Chris. Appreciate Lee keeping us informed during Chris' health issues. It was very obvious that she was such a strong and caring woman. Any marriage that lasts for 45 years must have been made in Heaven. My heartfelt condolences to Lee and all of Chris' family and friends.

“ Lee and family - Chris will be sorely missed by everyone she knew. She had a magical effect on every life she touched and now God has called her home. My condolences to all of us left behind. The world will be a little less bright without Chris in it.

“ *Lee, Donald and I are so sorry for your loss. What a remarkable  
woman! She always had such a sweet smile on her face even when  
she was so weary. We all loved her at the Buford Community Coffee  
Club. She wrote such inspiring e-mails to let us know how she was  
doing. Lee, she spoke so lovingly when she spoke of you. She was  
more concerned about you than herself when she informed us of  
your progress. What memories you have from forty-five years of  
marriage! May God bless you and put His arms around you at this  
time.  
Love, Donald and Trevera*

“ *Bill and I knew Chris as a neighbor. We were lucky enough to sit next to Chris and Lee at a social event; she was so sweet, interesting, outgoing and full of life. We enjoyed getting to know both Chris and Lee better. Though we didn't know her well, we knew she loved her family eminently. Despite her illnesses, Chris always put her best foot forward, wanting to be close to her family and seeing after her devoted husband and loving mother. Chris was a real trooper and was so determined to beat this dreaded disease. She was good about keeping the neighborhood and Women's Coffee Club updated on her progress. We hate it so much that she had to spend, what should have her golden years, fighting cancer and not only the toil it took on her but the entire family. Chris was loved and is loved by so many. Lee our prayers are with you and your family.*
