“ I loved my Aunt Chris. She was very special to me. Aunt Chris showed kindness when she made me feel welcomed and was always interested in what I had to say when I visited her. She gave good gifts to my children and me. One particular gift, a little stuffed doll, became my daughter's favorite toy. She gave me a complete nail care set which was special and unexpected. Aunt Chris and Uncle Jack stayed at my parent's home while we were on vacation and when we returned, it was sparkling clean. Aunt Chris was creative and good at crafts. She made the table center pieces for my wedding reception. She was also adventurous. When she located a berry patch near the lake cottage, Aunt Chris and I found bluejeans to wear from her son and my brother to prevent us from being scratched by briars while picking berries. Finally, Aunt Chris was a great cook and taught me how to make german potato salad and cucumber sandwiches. I will certainly miss Aunt Chris. With love, Roberta (I was known as Robbie as a child.)

“ We loved the many Fourth Of July celebrations at Chris & John's beautiful Crooked Lake Home. Chris was such a wonderful host and cook. We loved her cheesy potatoe cassarole, cucumber sandwiches and homemade ice cream. Our visits to their home in Fort Wayne and their home in Georgia were filled with great memories! We love you Aunt Chris and we will miss you. Love, Rich, Dee & Kyle Chambers
